WARRANTY

For a period of one year from the date of delivery to the original purchaser, Sanger Boat Mfg. warrants each Sanger boat to be free from defects caused by faulty workmanship or material.

During this period, warranty repairs will be made without charge by Sanger Boats at their plant, or at Sanger Boat's option, by an authorized Sanger dealer. Transportation costs are the responsibility of the owner, and all repairs must be approved by an authorized Sanger representative. The liability of the company shall be limited to repair or replace any part judged defective by Sanger Boats.

This warranty does not apply to: (1) engines, jet drive, V-drive, controls, gauges, batteries, or other equipment or accessories carrying their own individual warranties (appropriate adjustments to them provided by their respective manufacturers); (2) machinery, equipment and accessories not factory installed; (3) windshield breakage; (4) gelcoat finish and/or trim paint; (5) upholstery damage such as puncturing, storage, solvents or cleaner; (6) any Sanger boat which has been altered, subjected to misuse, negligence or accident, or used for racing purposes; (7) any Sanger boat which has been overpowered or overloaded (in excess of horsepower and/or capacity as specified on capacity plate on each Sanger boat).

This warranty is in lieu of any other warranty, expressed or implied, of any nature whatsoever.

Sanger Boat Mfg. reserves the right to make changes at any time, without notice in the colors, equipment, specifications, materials, hulls and prices. When changes are made, we reserve the right to do so without incurring the obligations to equip or modify existing models built prior to the date of such changes.

Prices and specifications subject to change without notice.
